MAKING IT UP AS ONE GOES ALONG

in Questions & Answers

MAKING IT UP AS ONE GOES ALONG

Words are just words that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular *raison d'être*. When one is living in the freedom of satya-advaita yoga, one necessarily makes up new words as one goes along or adapt old words to meet a particular requirement of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 24 years. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed those in the 13 Books that I have written in the Series under the theme, 'The Allurement of Reality'. But I hope that now such clarifications would be necessary or me be called upon to answer. I wish to let my books do the talking. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words Samadhi and Mahasamadhi. I wish to make it clear at this point in time. For me Samadhi started on completion of my Book Truth-accommodation (Satya-advaita) and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it is today. I had tried to consider numerous times during these years that I had had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not what there is to Realise. It had to be awaited with patience. And I formulated a plan of self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best bhakti that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the past 15 months or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as sanatan dharma, that is to say karma in sanatan dharma.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of Dharma Rakshati Rakshita as being the eternal law of the universe, and this has not changed at the moment that I am writing this account at 10.37 am on the 12 of October 2021.

The very fact that the Legal Ombudsman has today acknowledged the 25 November 2024 that represented the official complaint against Forz Khan and his chambers means I have to see out

the 8 weeks from 25 November 2024: So I dug it out from old Disk as follows to consider what if anything I should do:

Dear Legal Ombudsman

1. I note with disdain that you avoided having to address the complaint against barrister Mr Forz Khan: as set out in the following extract:

*Auto-Reply*

Dear Sirs

*I offered Mr Forz Khan the opportunity again as you are aware from this Auto-Reply that you have sent me to provide me with a clear and unambiguous account of his position and he has kept silent.*

*Just to fill you in with the relevant evidence: I published nonchalantly the email that I sent to Forz Khan copied to the Solicitors Regulation Authority to force his hand to see his reaction.*

*<https://www.knowledgeassessmentanddissemination.com/post/your-correspondence-pay-in-3>*

*The Solicitor Regulation Authority should be aware that Kent Police is now proven to be immune from civil litigation and private prosecution with the evidence of the email that I received from the House of Commons Petition Committee that I will be contacted to discuss the matter of the Written Constitution further in due course. So Forz Khan was evidently wrong in charging me £3000 to conduct the private prosecution of Kent Police. So the complaint was valid; Tweeted and posted the blogpost in United Kingdom as a Republic page of Facebook: The complaint also included Case E35YM660 that he refused to take appropriate action on to determine whether the Prime Minister is also immune from civil litigation from a private citizen. Mr Khan should have warned me of that.*

*Just in case the Solicitors Regulation Authority does not have jurisdiction to consider the complaint against Mr Forz Khan, I am copying this email to the Legal Ombudsman and the Bar Standards Board and other relevant parties.*

*Yours sincerely*

*Thank you for reporting your concerns to us about solicitors.*

*We will now open a case file and it will be allocated to a member of our Assessment Team who will aim to contact you within the next 25-30 working days or sooner if a problem requires our immediate response.*

*If we cannot help with your concerns, we will point you in the right direction.*

*Are we the right organisation?*

*We want you to raise your concern with the right people. Sometimes that is us. But other organisations may be best placed to help.*

*For example, if you have concerns about the professional service you have received from your solicitor, the right organisation to help is the Legal Ombudsman. Unlike us, it has powers to tell your solicitor to put things right, to pay compensation to you or reduce your solicitor's bill if it finds there has been poor service. More information about the Legal Ombudsman and how to make a complaint can be found at <https://www.legalombudsman.org.uk/>*

*We are the regulator of solicitors and law firms in England and Wales. The Solicitors Regulation Authority Limited is a company limited by guarantee registered in England and Wales. Our registered offices are: The Cube, 199 Wharfside Street, Birmingham, B1 1RN. Our company registration number is: 12608059.*

2. As such I have no hesitation in deducing that the Legal Ombudsman has engaged over a period of about 2 years in systematic cover up of the complaint against this specific barrister.

3. This is the Legal Ombudsman's final opportunity to apologise to me and pay me £1 million in damages and compensation for the criminality implied in its management of the complaint that the House of Commons Petition Committee will in due course consider in responding to my application for a Written Constitution in the United Kingdom.

Hello Dinesh Singhji

Thank you for your email and I am sorry for the delay in replying. I have been tied up with certain developments here in the United Kingdom in relation to some Police Investigation that I believed was old story, but on further investigation as linked here:

<https://www.knowledgeassessmentanddissemination.com/forum/main/comment/e2b76e09-ce4c-419b-ad79-bfed1a07b700?postId=662e8e75260c5e00103727a1> it reared its ugly head again through Vapers Hub.

Now I am not sure if Kent Police is still continuing with its Complaint assessment of CO/999/23 and so I must check with the State authorities if this is the Case. My hunch is that the culprits who have wreaked havoc on me as a Hate Crime over a dozen if not 26 years are now awaiting the House of Commons Petition Committee to issue its processing of the matter attached (FrPetitionsCommitteeHOC(Action required on Petition for a Written Constitution in the United Kingdom)4Nov2024); so that the institutions can submit their cover-up defences and do not any longer have to do their dirty work of paying me damages and compensation and a letter of

apology to me. This would lead to a coverup by the Committee which I must avoid at all costs. I am far better off allowing the Institutions to continue with their investigations no matter how long that takes.

You see Dinesh Singhji, I was not born yesterday.

I look forward to concrete proposals to develop my 26 websites with your expertise accordingly.

Yours sincerely

At 4.01 pm with no emails coming from the Central London County Court or Forz Khan and nothing left to gain from the Legal Ombudsman, I needed proceedings that I can enter the Court room with, so upped the ante following similar thrashing at Allen of Vitali Chi and Kings Connect Alumni:

MAKING IT UP AS ONE GOES ALONG

in Questions & Answers

MAKING IT UP AS ONE GOES ALONG

Words are just words that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular *raison d'être*. When one is living in the freedom of satya-advaita yoga, one necessarily makes up new words as one goes along or adapt old words to meet a particular requirement of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 24 years. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed those in the 13 Books that I have written in the Series under the theme, 'The Allurement of Reality'. But I hope that now such clarifications would be necessary or me be called upon to answer. I wish to let my books do the talking. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words Samadhi and Mahasamadhi. I wish to make it clear at this point in time. For me Samadhi started on completion of my Book Truth-accommodation (Satya-advaita) and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it is today. I had tried to consider numerous times during these years that I had had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not what there is to Realise. It had to be awaited with patience. And I formulated a plan of self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular

manner; the best bhakti that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the past 15 months or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as sanatana dharma, that is to say karma in sanatana dharma.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of Dharma Rakshati Rakshita as being the eternal law of the universe, and this has not changed at the moment that I am writing this account at 10.37 am on the 12 of October 2021.

I'm just commenting to let you know what an excellent discovery my cousin's girl encountered going through your web site. She noticed several details, which include how it is like to possess an ideal coaching spirit to let others smoothly learn a number of gruelling subject areas. You actually did more than visitors' desires. Thank you for distributing these great, dependable, informative and unique tips on that topic to Tanya. rasqq

Information for people with disabilities visiting the Royal Courts of Justice (RCJ)

At HM Courts & Tribunals Service (HMCTS) we want to provide:

- an experience that works for everyone
- services that people with disabilities can use independently where possible
- services that can be used in a fair way

We know that people with disabilities sometimes need our help and support to use our services. This can mean that we need to provide something different so you can access and use our services in the same way as a person without a disability. We often call this a reasonable adjustment.

What reasonable adjustments can we provide?

We're able to do lots of things that mean that people with disabilities can use our services independently wherever they like and in a way that is fair, for example:

- providing our forms in large print
- providing our guidance in audio or easy read
- making sure hearing enhancement systems are available
- providing a separate waiting area
- making sure ramps and lifts are available.

This list doesn't include everything we can do to help, and we'll always talk to you first about what you need.

If you need help or support in the hearing room, we will also discuss this with the judge hearing your case. We are committed to making sure everyone can give their best evidence and everyone has a fair hearing.

How to arrange a reasonable adjustment?

Disabilities affect people differently so we won't always know what will help. If you have a disability that means you can't access our information and services please get in touch with us. You can request help and support as you choose by phone, in person or in writing by:

- emailing RCJ.DCO@justice.gov.uk, or central.london.county.dco@justice.gov.uk
- phoning our Disability Contact Officer 0207.947.6063.

To help us provide the best chance and support, you should try to explain how your disability affects you and give as much information as you can. This will help our staff or the judge to consider what you'll need to do during your case and any help we can provide. Our staff will always talk with you and agree any reasonable adjustments you need.

**Important note.**

Many areas of the RCJ are Grade 1 listed, and this means there may be restrictions to the changes we can make. Some of the areas you will need to access could be a 5 to 10-minute walk from the nearest entrance.

Getting around our building and support before the hearing.

- 1.1 you need a parking space (blue badge holders only) please contact the Listing Office by letter, e-mail or phone at least 24 hours before your hearing.

- email: RCJ.DCO@justice.gov.uk or central.london.county.dco@justice.gov.uk
- tel: 0207.947.6063

- your case number
- car registration, make, model and colour
- warm' H luc l3adgc nurn bc-i and issuing authority.
- Wheelchair access to the RCJ is available at: West Green (9am - 4.30pm), and Bell Yard North (9.30am - 4.30pm).

Electric gates and the main entrance have intercoms linked to RCJ Security.

- Step-free access (via ramps, stair lifts and lifts) is available to most areas of the building. A map detailing the best routes for step-free access is available at each entrance and/or upon request.
- Accessible toilets are located throughout the RCJ. Maps are available but please let us know if you need details in advance.

For the hearing itself, we can provide:

- breaks in court proceedings. We will ask the judge to consider your request before your hearing begins
- help with reading and writing court forms. Some court documents can be provided in large print or braille <https://www.gov.uk/government/collections/court-and-tribunal-forms>.
- hearing enhancement systems in some of our courts (also available at reception and at our public facilities). We also have portable hearing loops available on request.

Cases are listed in accordance with local hearing arrangements determined by the Judiciary and implemented by court staff. Every effort is made to ensure that hearings start either at the time specified or as soon as possible thereafter. However, listing practices or other factors may mean that delay is unavoidable. Furthermore, in some instances a case may be released to another judge, possibly at a different court. Please contact the court for further information on the listing arrangements that may apply to your hearing.

 General Form of Judgment or Order

In the County Court at Central London

 Date: 19 January 2021

DR SHANTANU PANIGRAHI 1" Claimant Ref  
 MRS THERESA MAY - PRIME MINISTER OF THE UNITED KINGDOM 1" Defendant  
 Ref Z1819776/TBL/A4

Before His Honour Judge Parfitt sitting at the County Court at Central London, Central London, R. C. J, Thomas More Building, Royal Courts Of Justice, Strand, London, WC2A 2LL.  
 On the Court hearing the Appellant but the Appellant withdrawing from the telephone hearing after making his submissions and on the Appellant's request to reconsider the permission to appeal refused by HHJ Lethem by order dated 30 September 2019

IT IS ORDERED THAT:

1. The request to reconsider permission is refused.
  2. The Appellant's application was totally without merit: the DDJ's order was wholly appropriate as a case management order and the stated grounds of appeal that the Appellant lacked access to legal advice was hopeless and the oral argument put forward that the DDJ was a liar acting as part of a conspiracy to silence the Appellant was absurd (both in its premise and in its substance — since the order under appeal gave the Appellant a final chance to make his particulars of claim good).
  - 3. The Respondent's application for costs of the action must be referred to a DJ pursuant to CPR 3.5(2)(a) and the Respondent's letter dated 13 January 2021 and two costs schedules contained in the Appeal bundle (in pdf format) shall be treated as an application in that respect.
  4. The Respondent's costs of the appeal are to be treated as Respondent's costs in the action.
- Dated 19 January 2021

(4) Details of the alleged offence(s)

CrimPR 7.3 requires that an allegation of an offence in an application for the issue of a summons or warrant must contain (a) a statement of the offence that (i) describes the offence in ordinary language, and (ii) identifies any legislation that creates it; and (b) such particulars of the conduct constituting the commission of the offence as to make clear what the prosecutor alleges against the defendant.

The series of Chief Constables of Kent Police from 1999-2020 oversaw the systematic Hate Crime perpetrated against me by the Security Services of the United Kingdom and the Pentagon of the United States of America to terrorise me and obstruct justice in the Civil Courts of the United Kingdom as well as the Mental Health Tribunals where I am detained (first as in a Secure Ward of the Mental Hospital in Ashford and the Littlebrook Dartford mental hospitals in 2004) as a political prisoner for my religious beliefs of Brahmoadvaita sect in Hinduism practicing Brahmanism in the understanding that dharma rakshati rakshita. Kent Police covered up the 1500-odd national and international criminals who terrorised me over this period starting with the University of Greenwich which withheld my £55,000 redundancy payment from my scientific job at the Natural Resources Institute in 1998 under the false charge of gross misconduct supposedly in the Brahmoadvaitc-proportionate and physically non-violent protestation of my innocence to probe out whether the University was racist and subjected me to unfair dismissal for retaliation over the continuous 1-year of work-place intimidation, harassment, bullying, covering up criminal activities and perverting justice by calling in the Mental Health Institutions of the State to label me with paranoid schizophrenia and persistent delusional disorder and possibly autism, none of which is true because I am not only the sanest person in the world today but ever in having constructed Green Socialism to prevent the planet entering into decades of depression of depreciation of natural resources, biodiversity and loss of soil nutrients from the intensive global agricultural and humanity practices that are monocultural in conception from the United Nations and has to feed an ever-burgeoning human population.

The Prime Minister of the United Kingdom mobilised the international community of moronically-governed States of the United Nations to prevent me from getting asylum away from these 23 years of State-organised persecution for my religious beliefs, and I was harassed by emails by North Yorkshire Police and West Yorkshire Police to try and make me Stateless. Over 800 criminal anonymous emails were sent to me and my associates to disrupt my employment work to be able to earn a living in the United Kingdom and Boots the Chemists in particular sent me cryptic messages to get me booted out of the United Kingdom with the complicity of the Indian Immigration Visa Services-sent emails to return to India on my British Passport where I would then be terrorised further by the Indian government for my religious pre-occupations of dharmayudha to better our lives in this generation as well as for all future generations of mankind.

The case for damages and compensation for £50 million pounds to be credited to my NatWest Account by His Honour Judge HHJ Parfitt of the Central London County Court was never dismissed but adjourned pending what, I do not know, possibly on the false pretence that psychiatric reports were needed on me before a Judgment could be delivered, according to the results of the Appeal I lodged in the Supreme Court in my 5 September 2020 to name the Master of the Court of Appeal who had deceitfully and deviously disposed-off my permission to Appeal the adjournment of the E35YM660 Claim against Mrs Theresa May and now the present Prime Minister Mr Boris Johnson.

This morning my latest attempt to find a solicitor after over 50 such attempts (as below) received no reply, which has all been covered up by the Legal Ombudsman against whom I asked Malcolm Dodds of North Kent Magistrates Court several years ago to initiate that private prosecution; and also against the Solicitors Regulation Authority and the Centre for Effective Dispute Regulation which have also not considered my requests to intervene in this matter:

In summary, the Chief Constable of Kent Police must be summoned today to put forward his defence of why he had not taken out criminal-prosecutions with the Crown Prosecution Service against these national and international humanimals who have committed this extensive Hate Crime on me under the auspices of the functionality of the Brahma-Nature conspiracy theory of mine. The Crown Prosecution Service over these years covered up the disgraceful conduct of these Chief Constables since I first reported the matter a decade ago (I cannot trace the correspondence because it was publicised in my Blog <https://shantanup.wordpress.com> and stored there but the criminals archived and suspended this Blog that was entitled 'Knowledge for World Conservation').

Please act quickly, for I fear that the Mental Health authorities will send in their Mental Health Team today to cart me away to the Mental Hospital to deprive me of my remaining liberty to enjoy life in the freedom and security of my family in Shanti Niwas.

Thank you, Sir/Madam.

(5) Summary of the circumstances

CrimPR 7.2(6) requires that an application for the issue of a summons or warrant for arrest must concisely outline the grounds for asserting that the proposed defendant has committed the alleged offence or offences. Summarise your grounds for alleging that the proposed defendant

has committed the offence(s) for which you want the court to issue a summons or warrant. Give an indication of the evidence on which you will rely if the court agrees to do so.

I have tens of thousands of email communications that I have saved in a dozens of hand-written Diary Files at home and associated correspondence Files that I will bring to the North Kent Magistrates Court for the consideration of the Magistrates and which are available now if the Court issues the summons applied for first.

Dear indeed,

1. I do hope that the attached tentative enquiry has not broken any promises that I have made to Her Majesty the Queen to abide by all the cultural norms of the United Kingdom in accordance with my commitments to the 1984 Naturalisation Ceremony for British citizenship, and thereby to adhere strictly to the letter and the spirit of the agreement now reached with the unanimous decision of the Justices of the Supreme Court of the United Kingdom in relation to my 5 September 2020 Appeal (attached: ToSupremeCourt5Sep2020.docx) by writing to Tesco as attached: ToTescoSupermarkets(jobs)27Feb2021.docx. We will let Wordpress do what it wishes to on the restoration of my cherished Blog <https://shantanup.wordpress.com> as I wish to reduce my costs of the litigation on account of lack of financial resources to pursue the Claim with no Legal Aid in sight for the Claimant of E35YM660:

ToStatusSolutionsUKLtd(ImmigrationLawyers)26Feb2021.doc; so I must finally completely abandon my pursuit of justice in a civil and a criminal court of the United Kingdom or in an Indian Court of Justice immediately.

2. Incidentally, my wife is saying to me when I told her that I passed another job questionnaire for Tesco not to build up my hopes too much. There is also the question of whether my Consultant Psychiatrist who I really do like a lot, Dr F Odesanya at Britton House, Gillingham, Kent, will question me as to why I have applied for this job or at least trying to apply in relation to his advice to me, which my wife does not really agree with because she thinks work will be therapeutic for me, especially the Maidstone Tesco Extra job. So I am copying this email to KMPT to keep Dr Odesanya informed, even on this Saturday, with regard to the attached request for a medical review, that is urgent from my point of view if I am to progress my rehabilitation into society: FrKMPTPALS(LoisDerham)25Feb2021.docx.

3. I will also look through any other possible jobs from the current list that are within easy traveling distance to my home, if that is all right with you: please advise without any kind of delay.

Yours sincerely

Dr Shantanu Panigrahi, 3 Hoath Lane, Wigmore, Gillingham, Kent ME8 0SL, Tel: 07967789619.

PS: Incidentally, and I almost forgot, please forward my passport 2020-11-27\_090339 ShantanuPassport.pdf to Tesco immediately for I do not have their email address: the ones I have are 'no reply' ones it seems.

Dear Madam

1. "The Crown Prosecution in Kent failed to provide any legitimate reasons not to conduct a prosecution against the Chief Constable for being part of intense and widespread conspiracy in the perpetration of a Hate Crime against me with the collusion of the Magistrate in North Kent Magistrates Court in Chatham Kent, directly, and on my personal application for Summons on the Chief Constable dated 27 October 2021 that was updated this evening at 19.54 hours. Around 50 lawyers and law-firms, as well as His Honour HHJ Parfitt and his predecessor Her Honour Judge Backhaus were the last Central London County Court Judges who were complicit in this hate crime that involved Dr Odesanya, the Consultant Psychiatrist at Britton House, Gillingham, Kent."

Compensation Demand from the Crown Prosecution Service:

£50 million sterling in damages and compensation for 23 years of State-organised religious persecution of a Vaishnavist.

2. There were altogether 1500 criminals listed in the Claim Form E35YM660 including the Chief Defendant, the Prime Minister, Mr Boris Johnson, whom the Crown Prosecution Service deliberately protected in complicity with the full set of Justices in the Supreme Court of the United Kingdom, as you will note from the Summons for private prosecution that I submitted to North Kent Magistrates Court: APPLICATION FOR SUMMONS\_-1(Apply27Oct2021).doc; in connection with a private prosecution initiated as a counter prosecution of an Appeal Mention to Fix Hearing to hear the matter at Maidstone Crown Court relating to false and fabricated Speeding offence mounted on me by Kent Police when I had clearly admitted that speeding took place and I wished to take the route of attending a Driving Course for a clean driving record without any penalty points and no fines to be paid. I was then set upon by an organisation calling itself 'Victims of Panigrahi Association' who tried to make me 'Stateless' with no employment rights and embezzlement of £8000 of my lifesavings held in Santander Bank, where

I had two accounts and not only was the online Access blocked three months ago under the pretences that the Bank was conducting Security investigations on the account, the Bank stopped me from withdrawing my own Current Account money on which I spoke to Colette of Santander Bank this morning on the telephone when I again failed to get even £20 out earlier on today and she said that she was sending this update to Santander's Security investigator but no one called me back on the telephone and no emails have been received. The embezzlement of the funds of The Conservative Libertarian Society and its offshoot The Conservative Libertarian Party of the United Kingdom to which I had donated the £8000 three months ago was blocked hence to stop me from engaging in political activities in this country and abroad:

<https://theconservativelibertariansociety.com;>

<https://theconservativelibertarianpartyoftheunitedkingdom.com>. It was a giant conspiracy as the attached summons have still not been issued and served and no explanation provided to me under false and deceitful pretences as the attached email shows:

FrNorthKentMagistratesCourt2Jun2020.docx.

3. I am a layman but do know that the Chief Justice of the Supreme Court is not beyond the law and must be prosecuted as a conspirator with the Chief Constable of Kent Police by the Crown Prosecution Service. This is my demand if the £50 million is not credited into my NatWest Bank Account by mid-day tomorrow (Account Sort Code 60-17-44; Debit Card No 4751 2902 3982 1523).

4. Madam, at this point in time I am being persecuted by indeed of Ireland non-stop as supposedly an agent of the Supreme Court Justices to bully, intimidate, harass and obstruct me into seeking truth as a satyagrahi to pervert the course of justice. If I receive any further intrusions into my privacy I will forward them to you. Please let me know what the Crown Prosecution Service has now decided as I cannot find their email number ready to hand.

5. You have been informed madam, I as President of the Society believe in Law Enforcement and Law Abiding and am a Law Assistant as an Associate of the Law Enforcement authorities that my religion compels me to that you can read here:

**APP Fraud Rules**

We want to let you know about important rules that might help to protect you in the event you are a victim of Authorised Push Payment (APP) Fraud.

What is an APP Fraud?

APP Fraud is a type of fraudulent activity through which someone tricks or deceives you into sending a payment to a fraudster. This may result in you authorising a payment for goods that you never receive or to a person other than whom you believed you were paying.

Common features of APP Fraud may include a request to designate a payment for friends and family when you're being offered goods or services, offers that are "too good to be true," pleas for sympathy or to act urgently, or the appearance that you're paying a trusted person or institution. Learn more about APP Fraud in our Security Centre.

### The APP Fraud rules

On 7 October 2024, new rules came into force that protect payments made by individuals, micro-enterprises or small charities where these are made through the Faster Payments or CHAPS systems. PayPal uses these systems to send money from your PayPal account to your bank account. Under these rules, you may be entitled to be refunded where you have lost money due to APP Fraud on or after 7 October 2024, up to a maximum of £85,000 per claim.

#### When do the APP Fraud rules apply?

You are an individual, micro-enterprise or small charity and you made a payment using the Faster Payments or CHAPS systems which was subject to an APP Fraud.

The payment was executed in the UK and received by a UK bank account.

The payment was made on or after 7 October 2024.

#### When do the APP Fraud rules not apply?

We will consider each claim on a case-by-case basis, but there are some circumstances where you may not be entitled to a refund. This includes where:

You are not an individual, micro-enterprise or small charity and/or the fraud does not meet the definition of an APP Fraud (as summarised above).

You have acted fraudulently or dishonestly in bringing the claim and/or are party to the APP Fraud.

You have not acted with an appropriate level of care. For example:

You ignored specific warnings from us about the payment you made.

You did not notify us of the APP Fraud promptly or, in any event, within 13 months of the most recent payment.

You did not respond to our reasonable requests for information about the APP Fraud.

You refuse to report or allow us to report the APP Fraud to the police.

### How to make a claim

If you believe you have been the victim of an APP Fraud, please submit a claim by contacting our customer service team. You can reach us by logging into your PayPal account and clicking Contact Us at the bottom of any page to call or message us.

We will usually make a decision within 5 business days of your claim. We may take longer if we need more information from you and/or the bank that received the APP Fraud payment. In all cases, we will make a decision within 35 business days of your claim.

If you are unhappy with our decision, you can use our existing complaints process to let us know and see if we can fix things.

#### Other types of APP Fraud

These rules do not apply to other PayPal payments including when you send money from a PayPal account to another PayPal account or where you pay a business at checkout using PayPal. Our Buyer Protection Program may apply to these payments.

Where you send money from your PayPal account to another PayPal account as a friends and family payment, you are not entitled to be refunded under either the APP Fraud rules or the Buyer Protection Program. Please follow this link for further information on friends and family scams.

#### How to protect yourself against APP Fraud and other scams

The following link provides further information that may help you identify common scams and avoid becoming a victim of fraud.

#### User Agreement

We are updating our User Agreement to reflect these new rules by 9 April 2025.

Thank you.

Dear Barclays

Although I am OK with online Bank Statements from Joint Accounts my wife Rashmi Panigrahi requires postal confirmation of these records being very fiddly to be checked on line in these days of fraudulent transactions. If you have not already informed her that this decision from Barclays Bank is non-negotiable please contact her on rashmipanigrahi2000@yahoo.com.

In view of the complexity of examining the services that I have endured from the six Banks in the United Kingdom as being monitored by the Financial Ombudsman: see JOINT INVESTIGATIONS OF THE TERRORISM OF ANNOYANCE FROM SIX BANKS ON DR SHANTANU PANIGRAHI FOR THE FIANANCIAL OMBUDSMAN REPORT. pdf, and being a mental patient I would prefer it if I started the investigation with PayPal that I have spent some time examining already; and when we have arrived at a conclusion on PayPal, I would like to move on to Santander Bank for this Bank was with Barclays one of the first tormentors of myself since the £120 was siphoned out our Barclays Current Account fraudulently by the British Society of Animal Science in 1998 at

the University of Greenwich, to which I reacted with the 'Dear Joyce' letter and it promptly got me sacked without my severance payment.

I will keep you informed once the PayPal investigation has reached a satisfactory conclusion because of the importance of the Business Account to the Conservative Libertarian Publications Limited.

I the logged into the Business Account of The Conservative Libertarian Publications Limited at PayPal and looked for the fraudulent transaction that I had seemingly reported to PAYPAL a couple of years ago, but this could not be traced. So I asked as follows in the website:

***Deposited the following message inside PayPal Business Account***

***Question to PayPal:***

I seem to remember that there was a disputed transaction two years ago when someone tried to take money out seemingly fraudulently, but I cannot trace and record of it in this Business Account and perhaps it is in my Personal Account. Does Pay Pal keep a record of all transactions in these two accounts that I need access to today?

***Answer from PayPal:***

PayPal does keep a record of all transactions in your Business and Personal Accounts. You can access these records for the past 7 years on the web. Here's how:

Go to Activity.

Click All Reports.

Select Activities and then Activity Report.

Select the transaction type, date range and file format.

Click Customize report fields and select the fields you want to include in your report.

Click Create Report. When the report is ready, click Download.

You can also download your monthly statements, or create custom statements for any date range within the past 3 years. The monthly statement will be available any time after the second of the month. To view and download monthly and custom statements, follow the same steps as above but click Statements – monthly and custom under Payments.

Please note that PayPal's Buyer Protection covers all eligible transactions. To avail of this, your PayPal account must be in good standing and you must open a dispute within the correct dispute-filing timeframe.

Dear Alumni Office

1. With regards to the attached communications: Fr&ToKingsConnect(You have been tagged in a post)11Feb2025.docx; I felt that as a person of vast experience my contributions would be recognised by Kings Connect in terms of the interpretation of the unwritten Constitution of the United Kingdom.

2. We have a malleable Constitution and so long as His Majesty King Charles III and Prince William for that matter see that they are amenable to what I have proposed (<https://www.theconservativelibertariansociety.com/about-1>) (and I have not received any objections after years of deliberations at the County Court of Central London (Case No E35YM660 against the Prime Ministers) and Medway County Court (J00ME572 against the Kent Police Constabulary), as well as from the Petition Committee of the House of Commons, I have been proven to be right in this matter of the interpretation of the Constitution. His Majesty King Charles has de facto approved a culture change going forwards.

3. I was merely bringing this to the attention of the alumni of Kings, so that an appropriate post should be reinstated.

4. I look forward to your reply as soon as possible.

Yours sincerely

Hello

I would not beat about the bush: I have a mission now, to attempt to bring truth, justice and democracy within the Constitution of the United Kingdom. Please consider:

(a) We are the Conservative Libertarians (UK):

<https://app.joinit.com/o/conservative-libertarians/>

We need 15 volunteering members to act as officials for the Party to enable us to complete our registration with the Electoral Commission.

If you are able and willing to assist us, we can waive the Membership Fee.

(b) With your developing knowledge and expertise you may also be interested in listing yourself in this Directory for Conservative Libertarians: <https://knowledgefoundersunited.com/>

**THE CONSERVATIVE LIBERTARIAN SOCIETY**

## Truth, Justice & Democracy

### THE CONSTITUTION

#### The Party Political Ethos

### THE POLICY OF WRITTEN CULTURAL-REPUBLICAN CONSTITUTION PROPOSED BY CONSERVATIVE LIBERTARIANS (UK)

(Working Draft: 14.00 am 01 February 2025)

#### Preamble

People need to know where they stand in relation to the government under which they live.

The ethos and principles of The Conservative Libertarian Society (

<https://theconservativelibertariansociety.com>)

Conservative Libertarians (UK) situated at

<https://www.theconservativelibertariansociety.com/blank> is the political offshoot of the Global Movement The Conservative Libertarian Society' (TCLS) which currently also incorporates TCLP-USA situated at <https://the-conservative-libertarian-party-of-usa.odoo.com/>

TCLS and its offshoot subscribers are Vishista Advaita Vedantists (see

<http://vishistaadvaitavedanta.com>) a universal religion that acknowledges the existence of a

Personal God that they have named as being Sri Krishna-Durga but as humans they practice

karma (actions) in sanatan dharma independent of God. A human being can be God through

satya-advaita yoga of oneness with truth and through the mental loss of attachments to act

spontaneously, nonchalantly and unpremeditatedly, eventually without inhibitions; yet even at

its peak the person becomes at one and yet distinct from God in what is termed achintya bhed

abheda tatwa. The religious congregation is named Vishista Advaita Sampradaya that is free of

the biases of caste, race, language and sexual differences between individuals. Membership of

the religion-based political movement can be taken here: <https://app.joinit.com/o/conservative-libertarians/>

Conservative Libertarians (UK) is an accredited political party with a preliminary application to the Electoral Commission but only has 3 members and no officials apart from the Founder and Leader of the TCLS and the Party, Dr Shantanu Panigrahi.

The philosophy of TCLS and hence Conservative Libertarians is security for liberty and liberty for security. This is the essence of living. We need to be very careful in making our decision on actions that we should take every moment of life by a thorough understanding of the laws of Nature, and taking opportunities to better ourselves materially and spiritually through the passage of time in a risk-averse attitude that conserves and builds the material and spiritual 'house' that we live in. This is the meaning of Environmental Sustainability at an individual level. One step at a time and see which way the wind blows before jumping on to the next step to try and enhance one's prospects for self-preservation and the appropriate development of the family and the wider society that we are governed by to regulate and control our human activities. Being libertarian per se is not the objective of the personal or communal struggle. One cannot isolate oneself from wider humanity, for we cannot each individually do all of the things that we need to feed, clothe, house, study and develop our knowledge which is the fundamental basis of actions individually and collectively. We need like-minded people according to the saying birds of a feather flock together to create a Party of political activists

who would argue their case and take part in democracy to influence changes to the society in a peaceful and totally non-violent manner, not even protesting on the streets; by persuasion of ones principles and belief-led mission to better ourselves in our mental development and better our chances of survival in a tough Nature that restricts our abilities to act selfishly and in greed for gathering in the natural resources for our own consumption from the Planet that we inhabit. This is the ethos of Conservative Libertarianism, and it is a semi-secular conception in the sense that while we know God is the Creator of the universe and is a Personal God for those of faith, Nature has a built-in Gaia mechanism of checks and balances that carves the path to the emergence of new races and species of life forms on Earth; the existence of God should not concern humanity which has to mind its own business. It is therefore imperative that we focus only on taking the right decisions ourselves without resort to a higher authority, be that human or spiritual in being a Conservative Libertarian.

Conservative Libertarians (UK) believe that of paramount importance, the United Kingdom must have a written Constitution to begin with and in the longer term develop the nation into a Cultural Republic through the structures of democratic and law enforcement institutions that the Constitution must incorporate a declaration on human rights. By Cultural Republic, we swear allegiance to the Monarchical Establishment once we have shaped it to essential democratic imperatives that come from understanding human nature and its diversity.

Conservative Libertarians learnt through the Founder's travel journey that ideals of truth, justice and democracy is not possible without structural changes to the Constitution of the United Kingdom because without changes society cannot prevent the present unwritten Constitution being misinterpreted by vested interests for corrupt purposes and across the board of the State. The Party has experienced tremendous shortcomings in this regard and so campaigns for started with prescribing an amended Constitution through due process in the Houses of Parliament, primarily by instituting a Select Committee specially convened for the purpose because the Party had gone through all other processes of Parliament and Courts and it has not received a positive response for this much-needed change. The objective of the Party is to develop a mild form of Republican Constitution that incorporates a Cultural Monarchy as the Head of State with a Written Constitution that keeps people well informed on who is in charge of the procedures of the Houses of Commons and Lords, what the functions of the Consultant Psychiatrists, Chief Constables of Police Forces are and who are the officials of the State institutions and agencies against whom a citizen can successfully prosecute in civil and criminal courts; these amendments that will make people and institutions across the board accountable to the public into the fundamental principles of truth, justice and democracy.

For these objectives to be met TCLS and hence Conservative Libertarians (UK) foster a State composed of a Royal Family with a difference in that the Monarch is assigned the status of a semi-ceremonial King or Queen (hence-forth entitled the Cultural-Monarch with implicit duties over the House of Lords, the revision chamber of Parliament that functions as in the traditional democratic institutions the House of Commons being elected a political institution derived from an electorate of 18-aged plus citizens up to the 85 years of age, this upper age limit being set by the medical determination that the productive capacity of individuals to contribute to the State is limited to by their age when their judgments become haphazard from senile day, dementia/Alzheimer's and other disorders in physical and mental attributes. This would apply also to the Cultural Monarch as the figure-head Head of State, who should further only remain in that position for a fixed reign of 20 years at a single stint following which his or her continuation in the role must be put to the electorate in a referendum when people have the opportunity to judge whether he or she has discharged his/her duties to the State to an acceptable standard. Within this ethos, Parliamentary decisions on enactment of laws are to be

revised by the traditional process by peers in the House of Lords as currently in place with the scrutiny being final and simply rubber-stamped by the Cultural Monarch. The Privy Council will be renamed as the Royal Board with altered functions as an institutional chamber to direct the democratic processes of the House of Lords on behalf of the Cultural Monarch who will only sign on the dotted line for final endorsement of a Parliamentary decision. By making the House of Lords an elected chamber, it would be the second chamber whose decisions are final on Bills enacted at the House of Commons.

Thus, the House of Lords as an elected Chamber can override the decisions of the Prime Minister in the House of Commons after the usual three revisions of legislation voted on in Lower Chamber as a Bill goes to and fro until agreement is reached between the Prime Minister and the House of Lords.

The House of Commons will be political Parliament according to party-politics but the House of Lords will be apolitical. Being the Administration of Parliament all government Ministers will be appointed by the Prime Minister from the lower chamber and the Civil Service will be attached solely to this Executive.

The present Privy Council with intersections with different elements of the State will therefore be abolished by its Royal Board replacement as an independent body attached interfaced between the House of Lords and the Cultural Monarch; to the latter as an advisory institution ceremoniously signing on the dotted line. The Royal Board will be responsible for the selection of candidates applying to stand independently in elections to the higher Chamber of Parliament. It will appoint 3 candidates in each of enlarged Constituency with the First past the post system of election. The House of Lords will have 200 peers.

Legislation proceedings in the House of Commons will therefore continue to be read any kind of Royal scrutiny by the Cultural Monarch's speeches at the beginning of each term of Parliament and the proceedings in each chamber will be conducted by the Speaker elected from within each House that will set out the Bills for debating in the next Session of Parliament; the Speakers thereby only giving ceremonial assent to the Bills from the Executive presented by the Prime Minister for debate and amendments in the Lower Chamber implementing the policies of the Party that that form the government as a result of who wins the general elections. The House of Lords revision of Bills will be restricted to only those formulated in the House of Commons.

The Prime Minister will not have audience with the Cultural Monarch during a Parliament.

Conservative Libertarians (UK) will therefore reform of the House of Commons and the House of Lords as elected chambers of Parliament. The Executive will be appointed as the Prime Minister by the elected political parties with no requirement of Royal prerogative powers for government Bills have to be agreed with the House of Lords. The Commons will remain the administration of government without being subjected to the daily oversight of the House of Lords and Royal Board headed by the Cultural Monarch except for the enactment of Bills voted for by Members of Parliament in the lower chamber after its passage through the House of Lords. The Cultural Monarch will solely appoint the members of the Royal Board, which will have 12 selected officials. This would be the only power of the Cultural Monarch in the government of the nation.

The Prime Minister in the House of Commons and will write Speaker's Speech in the House of Commons with the Speaker delivering it from the Executive in a ceremonial role. The Commons will therefore not take directives of the Cultural Monarch. The House Lords who would be elected every 10 years whereas the House of Commons will have fixed 5-year terms with the

Prime Minister not having the power to call an earlier general election at any time without a vote in the Lower Chamber decided by a simple majority. The House of Lords will not have the power to intervene when the general election is held.

There will be devolution of political administration to local elected Councils and regional States under Federation as Scotland, Wales, Northern Ireland and England Overseas Dependencies and Territories such as the Falkland Islands. These territories will be free to make their own decisions on how their local governments operate through votes in local referenda without having to seek approval from Westminster.

### **Rationale for Amendment to a Written Cultural-Republican Constitution**

Conservative Libertarians (UK), on 17 May 2024, became a Republican Party, for reasons set out here: <https://www.theconservativelibertariansociety.com/post/the-conservative-libertarian-party-of-the-united-kingdom-turns-republican>.

The government must serve the people, not the people serve the government.

The Founder of Conservative Libertarians (UK) has specialised in dealing with national and international criminals that he started this project in 1998 when in the University of Greenwich that continues to owe me £55,000 in severance pay with its co-conspirators going by the pseudonym of Victims of Panigrahi Association (VOPA) who were then and have since then terrorised the Founder, but he found a way of coping with it. He did not care where they persecutors come from, he endured police brutality, victimisation, religious persecution, obstruction of justice and flagrant perverting of the course of justice that deprived him of £300 million in damages and compensation and an apology that he demanded against the co-conspirators operating with the University of Greenwich. In the end what was revealed is that the Courts and Judges processing his Claim against the Police and successive Prime Ministers responsible for the miscarriage of justice were directed by forces above, and this was the existence of a highly secretive Monarchical Establishment.

Hiding above the Circuit Judge in the Central County Court, the Court of Appeal and the Supreme Court have been two Monarchs, Queen Elizabeth II whom I described two decades ago as being a wicked and evil green witch towards me, ordering my persecution in the United Kingdom over the 26 years of my suffering defamation and of having consigned me to the Mental Health Services of the State; the mantle then being handed over to her successor King Charles III in the assumed Divine right of Kings and Queens to rule over the population as Absolute Monarchs. To find out the reality of what the Founder was confronted with he put in place legal procedures to have Queen Elizabeth dethroned in civil and criminal actions including issuing proceedings in The International Criminal Court from where judgment against King Charles III was not given due consideration seemingly because the United Kingdom was a permanent member of the Security Council of the United Nations which had veto powers over what this Court could process. It is for fighting for justice in this manner that the petitioner was intensely persecuted by the State over these years with the employment of the Security Services of MI5/MI6 and the Police.

Such criminals need to be brought to appropriate Courts of law to face justice and made to pay appropriate reparations to the victims of their crimes. But the unwritten Constitution allows highly corrupt individuals and businesses to commit crimes with impunity and conduct lesser but nonetheless fraudulent activities that the Police have not the resources nor the will to investigate and prosecute the perpetrators or are prevented from doing so by the Monarchical Establishment.

A Written Constitution would prevent the Monarchical Establishment from this form of dictatorial and tyrannical persecution of those who campaign for truth, justice and democracy, for these ethics if pursued by the State authorities through political means in Parliament would bring corruption to an end in society. The Monarchical Establishment operated in secrecy manipulating businesses and Media too who have then hoodwinked the public with fake news and propaganda so that they oppressed the petitioner who stood in their way of corrupt practices by employing freedom of expression. Similarly they manipulated the Judicial processes of the State against the petitioner in civil and criminal proceedings as a litigant, which whose personal experience of has documented extensively in his 28 websites and 319 eBooks available <https://theallurementofrealityinreview.com/shop> at or <https://archive.org/details/@panigrahi491>.

The Monarchical Establishment is nameless and faceless so that the only person one can take issue with is the Monarch himself or herself to flush them out in the open but the public is supposed to believe that Monarchs are immune from the legal processes of litigation, dethronement and impeachment in Parliament, an argument that the Judicial authorities interpreting the unwritten Constitution would then hide behind to deliberately deprive litigants of justice.

The reason that there is no written Constitution in the United Kingdom is that Monarchists facilitate the Monarch to become dictatorial from time to time in the course of history which will be fine if that is what the majority of the population actually wish but it should be explicitly documented into a written Constitution for the State. People are then fully informed on what to expect from their government.

The change from unwritten to a written Constitution will not enable the Head of State to discharge his or her duties secretly from behind the scenes away from the public eye. The role of the Constitutional Head of State should be hereditary from the existing Royal Family but Parliament's Select Committee for Public Administration and Constitutional Affairs (PACAS) will decide the appropriate document for voting in both the Chambers of Parliament on what it should be whether limited as proposed by Conservative Libertarians (UK) to be a Cultural Monarchy or having unlimited powers. The composition of this Select Committee should be 24 members, 12 each from the House of Commons and House of Lords. Each chamber of Parliament must have an internal Vote on the individuals who are selected to represent this Select Committee.

The Written Constitution must clearly outline the relationship between the Ceremonial Head of State and the Parliament at both House of Commons and the House of Lords.

The Written Constitution should be put to a Yes/No referendum of the population initially; and if there is a Yes decision from the electorate to have a Written Constitution all subsequent amendments to the Constitution when these take place through Parliamentary approval first must go to another referendum.

The Written Constitution should be prepared by the Select Committee who will be charged with this role, and document prepared must be subjected to a vote in the House of Commons chamber and then in the House of Lords before going to referendum.

The ceremonial Head of State will continue to be known the 'His or Her Majesty'.

The Speaker of the House of Commons will be solely responsible for all the technical proceedings of each Chamber, not the Lord/Lady President who will never enter these Chambers for ceremonial functions. The Royal Assent to the current outline of the Executive's work to the Monarch in the House of Chambers will therefore be abolished.

The amendment to the present unwritten Constitution of the United Kingdom will therefore obtain clarity on the functionality of the State so that government officials are made accountable to the public at large, as these will be available to Courts to enter judgments in resonance with the written Constitution. Right now the Security Services can perpetrate tyranny on the people and the citizen has no chance of success in attempting to litigate and prosecute the police in the courts. Similarly one cannot litigate or prosecute the Prime Minister for causing untold misery to individuals because he or she is protected by the force of a dictatorial Constitutional monarchy secretly operating through preventing people knowing the relationships between the Monarch and the Prime Minister, the Security Services incorporating the Police, the Civil and Criminal Courts of the State, and the regulatory authorities at the Legal Ombudsman, the Parliamentary and Health Service Ombudsman the Solicitors Regulation Authority, the Bar Standards Board and the Financial Services Ombudsman. The regulation of Big Businesses especially are interfered with. These inter-relationships need to be identified and set in stone through a Written Constitution.

### ***National Anthem***

The national anthem will be rewritten along the lines of nations internal functions nationally and its devolved and dependent territories and objectives of the people in strengthening the nation.

### ***Oath of allegiance***

Citizens applying for Nationality and Members of the House of Commons and the House of Lords must continue to take an oath of allegiance to the Cultural Monarch as the figure-head Head of State.

### ***Composition of the Houses of Commons and Lords***

Thus, whereas the House of Commons would be a political chamber involving political parties, the House of Lords will be apolitical comprising of independent peers only and no hereditary peers.

The Royal Board will sift through applicants wishing to be Members of the Revision chamber on their qualifications which must be a minimum of Upper Second-Class Undergraduate degree in any discipline followed by 15 years of work experience. Thus the peers would be a minimum of 45 years of age and all-inclusive otherwise of differences in gender, race, religion, sexual orientation and marital status.

### ***The Anglican Church***

The Head of State, Cultural Monarch will remain as the Head of the Anglican Church.

### ***Mental Health***

The Mental Health Institution should be incorporated within the Law Enforcement Process and subject to explicit and reformed basis upon which the Mental Health Act is operated without recourse to the Law that is presently constituted and operates on the basis of. Every decision of Consultant Psychiatrists and Mental Health professionals should be subjected to the Mental Health Tribunal before Sectioning of an individual takes place in the committal of the person to a mental hospital.

### ***Department of Justice***

The Civil and Criminal Courts will remain as they currently operate with the State Prosecution Service under a Department of Justice with the Supreme Court being solely the third level of civil and criminal proceedings under Appeal through the Court of Appeal brought to it by litigants and private prosecutions against all including the institutions of the State such as the Police and the rest of the Security Services such as MI5/MI6. The Courts must intervene in the democratic process of the government in terms of day-to-day decisions and the enactment of laws and of governance in general. Thus the Courts and Tribunals will continue to be referred to as His or Her Majesty's Court and Tribunal Service but Law Enforcement (Police and Prosecution Service) will come under the sole supervision and management of the Ministry of Justice.

### ***Declaration of Human Rights***

Conservative Libertarians (UK) will not rejoin the European Union and will withdraw from the European Court of Human Rights. Instead the Constitution will include a Declaration on fundamental human rights of all citizens which will guide the House of Lords to scrutinise Bills of the Lower House that violate the principles of this Declaration.

### ***Proportional Representation***

The First past the post electoral system for the House of Commons, local Councils and devolved Assemblies must be replaced with a proportional representation system.

### ***Approved ePetitions at the Parliament Website***

In the absence of any of the current four political parties submitting these proposals to the due process of the House of Commons and the House of Lords despite detailed consultations, the only route identified by Conservative Libertarians (UK) was to submit two preliminary ePetitions to the government and parliament for due consideration. Conservative Libertarians (UK) implemented the following petition in May-June 2024:

What do you want the government to do?

Have an amended Constitution.

Institute a Select Committee Specially convened for the purpose as I have gone through all other processes of Parliament and it has not received a positive response.

To keep people better informed on who is in charge of procedures of the House of Commons and of the House of Lords, what the functions of the Consultant Psychiatrists, Chief Constables of Police Forces are and who are the officials against whom a citizen can successfully prosecute in civil and criminal courts of the United Kingdom.

Click this link to sign the petition:

<https://petition.parliament.uk/petitions/662817/sponsors/new?token=5E2Eaduj6JGBY6S9rdVV>

With 5 signatures as sponsors, Parliament would have to consider making the petition go live, and if that would get past this hurdle following which 10,000 signatures are required for a government response to Conservative Libertarians (UK) on the Petition and 100,000 signatures would get lead to a debate in House of Commons.

The general election of 4 July 2024 halted the progress of all Petitions until a new Committee had to be convened following the election of a new Parliament.

When this new Committee was eventually in place, Conservative Libertarians (UK) obtained the required 5 signatures as sponsors to the following Petition:

Develop an official written Constitution in the United Kingdom for governance.

An unwritten Constitution foisted upon the people is wrong morally. A written Constitution is needed that outlines the relationships between the Head of State and Parliament at both Houses and in terms of their inter-connections with the Security Services, Judicial and other State institutions.

Unwritten Constitution makes a Monarchical Establishment to become secretly dictatorial and tyrannical to selected individuals and groups. With a written constitution people are fully informed on what to expect from the State and what is expected of them to the State. With a written Constitution people will be fully informed on who is in charge of procedures in Parliament, Mental Health Institutions, Security Services; and who a citizen can successfully prosecute in civil and criminal courts.

Click this link to sign the petition:

<https://petition.parliament.uk/petitions/700677/sponsors/new?token=kXqTG3pEemMKEpeiJwHJ>

The Petitions Team or Committee would not approve the version and proposed the following alternative Petition that Conservative Libertarians (UK) reluctantly agreed to see how far it would make progress after its publication by the Committee:

Petition Develop an official written Constitution in the UK

We believe we have an unwritten Constitution foisted on the people and this is wrong morally. We think a written Constitution is needed outlining relationships between Head of State and Parliament (both Houses) and their interconnections with Security Services, Judicial and other State institutions.

We think an unwritten constitution allows certain groups to have too much power. With a written constitution people are fully informed on what to expect from the State and what is expected of them to the State. With a written Constitution people could be fully informed on who is in charge of procedures in Parliament and other state bodies; and who a citizen can successfully prosecute in civil and criminal courts.

<https://petition.parliament.uk/petitions/700677>

Conservative Libertarians (UK) believes that think young people especially should sign the petition. Politics will always be in total shambles in the United Kingdom unless the Constitution is Amended.

### ***Parliamentary Authorities for Queries from the Public***

Parliament at both Houses will be accessible to the population for information and advice and directions on due process should there be concerns through petitions in the government and House of Commons website for open government. The email addresses should be as follows:

contactholmember@parliament.uk

HCEnquiries@parliament.uk

hinfo@parliament.uk

pacac@parliament.uk

### **Public Petitions:**

Conservative Libertarians (UK) has instituted the following two public petitions:

1. <https://change.org/p/have-a-written-consitution-in-the-united-kingdom>
2. <https://you.38degrees.org.uk/petitions/develop-the-united-kingdom-into-a-republic>

**Prior Cross-Party Consultations:**

The petitioner consulted the Reform UK Party, the Labour Party, the Liberal Democrats Party, the Conservatives and Unionist Party, the Green Party, the Scottish National Party and Plaid Cymru with the full details of this Policy proposal for the House of Commons between 30 June 2024 and 8 July 2024, but none of these Parties would comment on whether there were any objections, concerns or support for Cross-party Petition. Similarly Peter James Cook, a local Independent candidate requested the petitioner to leave him out of the discussions.
